

THORNLED Linear

THORNLED LINEAR-BAY

- ThornLED-Bay is a range of locally manufactured linear High-Bay luminaires
- Suitable for Industrial, Commercial & Retail applications.
- The design of the ThornLED-Bay is flexible and offers a choice of lens optics for specific illumination requirements

FEATURES

- Ultra efficient 165Lm/W
- No maintenance and long service life of 60000 hours
- Selection of lens optics for special illumination options
- No more exposure to open HID or fluorescent tubes
- Compact & low profile.
- Hi-tech and reliable LED technology developed and manufactured in Germany
- Excellent vertical illuminance for warehouses, factories and retail
- Solar match – very low energy
- Future proof – easily upgradeable
- Open or closed versions

SPECIFICATIONS

- ISO9001/2008 accredited factory
- Lumen maintenance L80/B10 60000hrs
- Photometric data with IES files available
- Colour rendering index Ra>80
- Body manufactured from Mild steel, powder coated in white
- Emergency & Dali dimmable available
- Colour temp 4000° (3000° & 6000° available on request)
- Power factor @ full load 0,97

PRODUCT CODE DESCRIPTION

TLLB/1200/STD/129/840	ThornLED Linear 1200mm, 129W Standard Bay with 3x SMD modules
TLLB/1500/HO/160/840	ThornLED Linear 1500mm, 160W High out-put Bay with 3x SMD modules

OPTIONAL EXTRAS:

830 – colour temp 3000°K Warm-white / 840 – colour temp 4000°K Cool-white / 860 – colour temp 6000°K Daylight
 DIM – Dali Dimmable / EMG – Emergency / STD – Standard beam / OPTIC – with Optical lens
 RSYM – Retail Symmetrical / RASYM – Retail Asymmetrical
